FROM THE BOARD PRESIDENT

The MWGA did a great job in remodeling and updating the women's locker room and downstairs hall. The MWGA recently had a 1 day garage sale so they could complete the work and collected over \$2000.00. John Ussery donated his time and expertise on the carpentry work, which included providing materials. Mike Goodson completed the cabinets and also provided materials. Thanks to the MWGA, John and Mike.

The 2017 Maumelle Classic hosted by Metro Appliances and More was another success. I want to thank the many volunteers, the tournament committee our membership and especially Cary and Lance for their hard work.

As a club we continue to have challenges but I am happy to report that we met our budget for the 2017-2nd quarter and there will be no BDC. Further details will be coming to you in a separate communication reporting our finances and membership changes.

Within the past 60 days we have made several non-budgeted improvements to the club with the pool work, new furniture, and 2 clubhouse HVAC units. As many of you have heard the BOD is moving forward with plans to replace the cart paths. Other than some repairs within the past few years our paths have been neglected. Our club needs to make this improvement. We have been offered a great opportunity by the contractor but this project will still require non-budgeted capital in addition to providing the contractor with membership to our club. There will be a ballot coming to the voting members with a special membership meeting to choose how we raise the capital. This improvement will not only be a great asset for our club but reduce the wear and tear on your carts and our equipment. We hope to have the paths completed before mid-October.

As a reminder the MGA and MWGA are hosting a 4 person – mixed scramble August 26th and 27th to raise money to replace the back 9 bathrooms. The entry fee includes lunch, dinner and prizes.

The general membership meeting will be Thursday, October 19th. All members are invited and encouraged to attend. The voting eligible members will be voting on 3 new board members at that time.

I want to thank everyone for your continued support of our club.

Steve Hillis, President

TURF TALK

We certainly hope everyone enjoyed the Metro Maumelle Classic this year. I can't believe it has passed and summer is on its last leg. Man, who said golf is an individual sport? The big tour winners today, always now seem to mention their support team deserves credit, Dustin Johnson, Jordan Speith, Rory, Jason Day, they all win with the help of their team. Well what a team effort the members of Maumelle Country Club showed leading up to this year's Classic. I am very humbled and proud to be a part of Maumelle Country Club and everyone that helped and came out from mowing, to edging, to picking up limbs, filling divots, wow what a team effort it was. I think the golf course is proof of what hard work and team effort is. Thank you to everyone and all you do and have done for our great championship course, again I am very proud and grateful.

Also, please remember to thank our crew, thank you guys for doing what you do. Please go by and meet my new Assistant Superintendent, Mr. Ben Boren. Ben has an Ag-business degree from ASU, and has been on staff since January 2017. His hard work, dedication, and great personality makes for a perfect fit in our department, and he definitely worked hard and earned the position. Thank you, Ben.

This month we will be performing our 2nd greens aerification of the summer. We intend to remove cores and perform heavy topdressing so thank everyone for their patience. With hot August temps, the greens will be rolling fine in no time. Our department also will be addressing some more irrigation issues, and drainage issues now that we our slowing down our outings.

A big thanks to Maumelle CC member and owner of AR Statewide Tree Service, Mr. Gary Kemp and his staff. The tree work on the back made for a beautiful classic, and we look to hire his services for more tree work and beautification in the near future.

See you on the course.

Lance Norwood
G/C Superintendent

MWGA GOLF PRESIDENT

AUGUST IS OUR BUSY MONTH!

Things are happening with our Ladies Golf this month. We start off on August 8 with City play at Eagle Hill. August 21 we go to Centennial Valley CC in Conway for City Play.

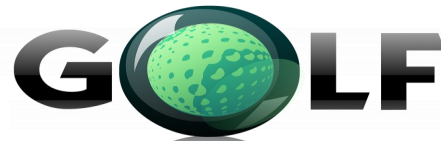

Our big Swap Day with Pleasant Valley Ladies with lunch following play falls on Wednesday, August 16. Please let me know if you will be playing. It is a Scramble Day.

August 23rd is our Guest Day. Line up your guests for this event. Another lunch follows play. More will be coming out on this event. Candace Barker and Sue Moore did a great job last year.

Sunday, August 20th is the MWGA Mixed Couple Event. Let's support this with a good turn out.

Then we come to our last August event. August 26/27, is our MGA/MWGA "Inaugural Two Men/Two Women Mixed Scramble". We hope to raise money to get started on a new Bathroom and Cart Cover on our back nine. We are only taking 36 teams and we are more than half filled. Register your team now to play. Invitations can be turned into Pro Shop or Office.

See you on the course,
Ruth Ann Trice
MWGA President

GOLF

Greetings from the golf shop!

August is going to be a busy month! Check the golf calendar online. Below are a few scheduled events...

12th & 13th – AWGA Designated

19th – MGA (4 Person team , one low gross, one low net pre-flighted)

20th – MWGA Mixed Event

26th & 27th – MCC Couples Scramble (Four-Person)

31st – Central Ark Senior Assoc.

Thank you in advance for checking in with the golf shop before you tee off. Also we appreciate your help in following the cart rules for the day. Please keep your cart on the paths around tees and greens as this will insure great turf to chip off of. We ask that you pair up on carts if possible. This will help us to not run out of carts on busy days and also help on the wear and tear on the course turf. Thank you.

See you on the links!
Cary
