Pool Hours

Tuesday thru Sunday
 10:00 a.m. – 7:00 p.m.

Guest fee is

\$5.00 per person

Closed on
Monday's

FROM THE BOARD PRESIDENT

Dear MCC Members,

I trust everyone is having a great summer, hot, humid, dry; July and August in Arkansas. Fortunately we have had a little rain.

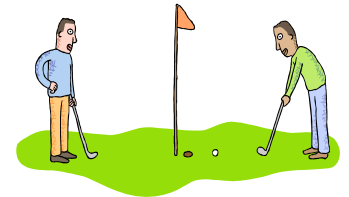

I want to thank Stuart Harris, Bill Page and the MGA for repairing the fence where we store our equipment. You may have noticed it was falling down in spots, and these folks repaired it for us. Also, you may have noticed Penepime came out and filled in the broken cart path where the tree fell on 6, the bumps on 11 and 12 and also the area around 7 tees where the equipment is washed. Thank you to Mike Rector (Penepime), Todd Krauser, Eddie Craven, Metro and the MGA for getting that area cleaned. Gary Kemp from Arkansas Tree Service came out and trimmed trees on the right of 12, cut down the broken tree on 14 and cleaned up the fallen tree on 6, among other limbs that were in play. Thank you to Gary and his crews.

We had a good month financially and are on budget for the year. With vacations coming to an end and school starting soon, please continue to utilize the club and all it has to offer when making plans the rest of the season. The clubs success depends on all of us.

As the days are longer, a lot of us want to play a quick 9 after work. I ask, if the pro shop is open, to please check in with them before you play. Be reminded our fairways are not our practice areas. Please do not hit several balls from the same spot to the greens. We all have seen this and should be another easy fix. We have a dress code at MCC and it is uncomfortable to tell someone to change what they are wearing or to tuck in their shirt before they can play. Please make an effort to review and follow the rules of the club.

Hope to see everyone at the club soon.

Sincerely,
 Brad Frederiksen
 President Board of Directors
 Maumelle Country Club

**CLUBHOUSE MANAGER**

I hope everyone is enjoying their summer here at the club. Whether around the pool, on the course or cooling off in the mixed grill, we hope you are happy and everything is being taken care of. There is a lot of summer left and we are going to keep working to meet all your expectation inside and out.

I want to thank everyone again for obeying all of the rules of the club and around the pool. All food and beverages should be purchased from the club and consumed in the designated areas. This helps to reduce the chance of pesky bugs and varmints.

Please come out on Friday, the 3rd and enjoy a DIVE IN MOVIE around the pool for all ages. The movie will begin at dusk, as soon as we can see it outside. We will be cooking up Pizza and Snacks and there will be drink specials for kids and adults alike. Please gather up your friends and call ahead and we will get you the best seat in the house.

Thanks again for making MCC one of the coolest clubs around.

See you at the club,

Bill Wallace

Club House Manager

TURF TALK

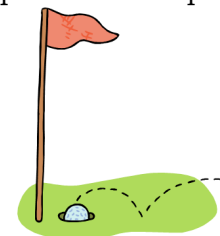

The end of June and July so far have felt like the dog days of Summer, hot and dry. The past month has produced less than .03' of rainfall. We have mainly focused our water management on the greens mainly due to lack of water. Remember, we no longer have the luxury of "free" water from CAW water plant, which is now officially closed. We have been transferring from the well and pond 13 for approximately two weeks. To give you a perspective and maybe help understand why we aren't watering wall to wall daily, our well pumps through our irrigation system to 2 lake and at best pumps around 300,000 gallons in a 24 hour period. Our greens program, watering at a minimum 6 to 8 minutes a night will use around 80000 to 100000 gallons per night. If are system was at full capacity and we irrigated tees, greens, green surrounds, and fairways, we would easily use around 500000 gallons per cycle or per night. It doesn't take a mathematician long to figure out the more we water outside the greens, the less water we have. We rely heavily on mother nature and usually Arkansas' 60" per year rainfall is adequate.

All preparation this July has been geared to getting ready for a Great 2018 Maumelle Classic. The crew has been bearing through the heat and has the course looking awesome. The greens, after being vented most of June and July, are finally getting where I expect them, and not to worry, they will be every bit as great after the classic. Along with venting, a vigorous and weekly light verti-cutting and top-dressing has been done, along with daily speed roll 4 to 5 times a week. Granite markers edged, bunkers edged, and hopefully all other detail work than sets us apart from the average course. Bush hogging natives, and along river bank has been ongoing, and tree trimming down right side of 12, 15 senior tee, and 16 approach were completed. Remember we will perform our 2nd core aerification on the greens following the classic, thanks everyone for your patience during this process.

Thank you to everyone who helps us out on the course, we couldn't be where we are or where we want to be without all of you. I can't believe August is almost here, we will be gearing up for some improvement projects this fall and will let you all know once approved and lined out.

See you on the course.

Lance Norwood
G/C Superintendent

HOLE IN ONE & EAGLES

Bill Dennis,

Hole In One, Hole #17,
5 Iron —165 Yards

Great job!!

Erick Elder,

Hole In One, Hole #8,
Pitching Wedge —128 Yds.

Great job!!

Maury Loket,

Hole In One, Hole #17,
5 Iron —166 Yds.

Great job!!

Hagan Sanchez,

Hole In One, Hole #8,
8 Iron —146 Yards

Great job!!

James Scott,

Hole in One, Hole #17,
6 Hybrid —152 Yards

Great job!!

Stephanie Hopkins,

Eagle, Hole #11,
56 Degree Wedge—49 Yds.

Great job!!

Bobby Rawn, Eagles,

Hole #2,
Sand Wedge —30 Yards
Hole #18,
9 Iron —105 Yards

Great job!!

Jeff Martin,

Eagle, Hole #2,
52 degree —40 Yds.

Great job!!

MWGA GOLF PRESIDENT

Thank you to all ladies who have volunteered to help with The Classic. Our hard working volunteers help make this tournament a huge success!

Don't forget the 2 Men/2 Women Scramble is coming up soon so get your team together and sign up! Also, Congratulations to Janie McNeill for a hole-in-one on hole #13!

See you on the course,

Lynn Dickey

GOLF

Greetings from the golf shop!

August is going to be a busy month! Check the golf calendar online. Below are a few scheduled events...

11th – MGA (4 Person team , one low gross, one low net pre-flighted)

25th & 26th – MCC Couples Scramble (Four-Person)

27th – Inaugural PK Classic

30th - Central Ark Senior Assoc.

Thank you in advance for checking in with the golf shop before you tee off. Also we appreciate your help in following the cart rules for the day. Please keep your cart on the paths around tees and greens as this will insure great turf to chip off of. We ask that you pair up on carts if possible. This will help us to not run out of carts on busy days and also help on the wear and tear on the course turf.

Thank you.

See you on the links!
Cary

HOLE IN ONE & EAGLES

Allen Talbot,

Eagle, Hole #6,
Lob Wedge—58 Yds.

Great job!!

Bill Cauley,

Eagle, Hole #4,
8 Iron—130 Yds.

Great job!!

Chuck Kaiser,

Eagle, Hole #2,
Putter—6 Foot

Great job!!

NOTICE

Swimming pool parties are a great way to celebrate that special occasion! If you would like to plan a party by the pool, contact Bill Wallace our Clubhouse Manager at 851-1033 Ext. 11 for more details.
