Total prize payout will be based on number of participants in each division and will be posted by the golf shop before the final round. The overall champion in the Open division will be awarded the "Green Jacket" and his name shall be placed on the permanent trophy. In case of a tie for the championship (all divisions) a "sudden death" playoff will be held to determine the winner. The playoff will be held immediately upon the conclusion of the tournament. All other ties will be split equally.

CUT: In each division, the field will be cut after 36-holes. See Scoreboard and/or Event Portal for cut number.

GOLF BALLS: Any ball used in making a stroke must be on the current List of Conforming Golf Balls issued by the USGA. (Model Local Rule G-3.)

REPLACEMENT OF BROKEN OR SIGNIFICANTLY DAMAGED CLUB: Model Local Rule G-9 is in effect. Consult a Rules Official concerning possible replacement.

PACE OF PLAY (Rule 5.6a): A player shall be subject to penalty if he unduly delays play. The pace of play time is 4 hours 12 mins (an average of 14 minutes per hole). Please play ready golf and keep up with the group in front of you.

LATE TO TEE: Rule 5.3a applies.

EMBEDDED BALL: Free relief is allowed under Rule 16.3b only if a player's ball is in the general area.

OUT OF BOUNDS: Defined by white lines and course-side points of white stakes at ground level. Right of the cart path on hole #1 is out of bounds. Internal Out-of-Bounds on holes #6 & #7 left by maintenance building. The road behind #6 green is out of bounds. The road (cart path) down the right of #9 (near the cart storage barn) and behind #9 green is out of bounds. On hole #10 the course side edges of the driving range net poles define out of bounds.

PENALTY AREAS: Defined by red lines and stakes. The lines are in the penalty area. **Dropping Zones** (marked by white lines and labeled “DZ”) on #8, #13, and #17 are additional options for a ball in the relevant penalty area. Each dropping zone is a relief area: if relief is taken, a ball must be dropped in and played from the dropping zone.

ABNORMAL COURSE CONDITIONS: GUR is defined by white lines. (Note: Ditches on right of mounds on #2 and left of path on #4 are GUR). Any DEEP tire tracks or ruts made by a golf cart or maintenance vehicle are ground under repair.

OBSTRUCTIONS: Washed out, worn, rubber mulched or rocky areas directly adjacent to cart paths are considered extensions of the cart path.

DANGEROUS SITUATION: A suspension due to a dangerous situation shall be signaled by one prolonged horn blast. When play is suspended, the players shall discontinue play immediately and shall not resume play until the Committee has ordered a resumption of play. Failure to do so will result in disqualification. A non-dangerous suspension, e.g. darkness or course unplayable, will be indicated by three short horn blasts. In all cases, players will be notified to resume play by two short horn blasts.

The Tournament Committee reserves the right to shorten the event when inclement weather prohibits the play of 54-holes.

DISTANCE MEASURING DEVICES: In this competition, a player may obtain distance information by using a device that measures distance only.

DOUBT AS TO PROCEDURE: If a ball could be lost outside a penalty area or out of bounds, play a provisional ball. If in doubt about a ruling and a Rules Official is not immediately available, play a second ball and receive a ruling when a Rules Official becomes available.
