MAUMELLE COUNTRY CLUB

Happy Thanksgiving
from MCC

PRESIDENTS REPORT

TERRY ROUSH

Greetings Members,

As we do each October, we held the annual membership meeting to recap where we stand financially, review accomplishments for the year and appoint our newest board members. I am excited to announce new board members Brad Patty and Jordan Cardwell have been elected to a three-year term, which will commence in January 2024. I have every confidence that they will contribute greatly to the continued success of our club. Please join me in congratulating Brad and Jordan on their appointments.

November is upon us, and with it comes the crisp air, the changing of the leaves and the perfect conditions for golf at our beautiful facility. Our course is a source of pride for all of us and its beauty and quality rely on our collective efforts to maintain it. Please remember to adhere to our course guidelines, ensuring that we preserve its integrity and make it enjoyable for everyone.

1. The 90-Degree Rule for Golf Carts: We kindly request that you keep your golf carts on the cart paths as much as possible. When it is necessary to leave the cart path, always do so at a 90-degree angle to minimize any potential damage to the fairways. This also means keeping carts a minimum of 30 yards from the greens.
2. Repairing Divots and Ball Marks: Please promptly repair any divots you create on the fairways and ball marks you make on the greens. By taking a moment to repair divots, you help keep our course in pristine condition for the enjoyment of all members.
3. Raking Sand Traps: You may have noticed the addition of new sand in some of the bunkers on the front nine. This has really contributed to beautify and the playability of those holes. After playing out of a bunker, please remember to thoroughly rake the sand, leaving it smooth and ready for the next golfer.

Your commitment to these guidelines not only preserves the beauty of our course but also enhances the experience for your fellow members and guests. Thank you for your cooperation in upholding these standards.

As we approach the end of the year and the holiday season, we have much to be look forward to and to be thankful for, including good times with our fellow members. Our club thrives because of the dedication and enthusiasm of each and every one of you. If you have any questions, suggestions or concerns, please don't hesitate to reach out to me, the board of directors or our staff. Your feedback and participation are invaluable to us.

Moment with Sandy

October was an exciting month for our Maumelle Women's Golf Association! We held our Guest Day and hosted the LRWGA Championship Tournament.

Mark your calendar for our Christmas Party on December 6th at 6:30. The evening event is festive and provides an opportunity for those who work during the day to attend. Bring a \$25 gift to exchange. A visitor from the North Pole has been known to drop in. We also collect a donation to share with Hope Alliance Food Pantry.

The October meeting was held to elect officers for 2024.

Michal Hodson, President.
Stephanie Martin, Vice President. Mona Young, Secretary.
Lisa Sigler, Treasurer.

This is a fantastic slate of officers to lead our group next year.

Additionally in December, Janet Taylor spearheads a drive to provide Christmas for families in our local schools, so she will appreciate donations for this very worthy cause. More information to follow.

Last, let me thank you all for the support you have given me this year as President. I can tell you, there is no other Women's Golf Association like ours! We truly are an extended family, ready to step up when needed. Love you all.

This will be one of the last Moments with Sandy. Be sure to let Sandy and Gibb know how much they will be missed

Fall is here and leaves are falling. We will be making a valiant effort to blow, and mulch leaves daily. This process can be daunting with high winds and continued leaf fall but we will chase them, nevertheless. Hopefully with this fall weather comes the rain we desperately need it.

I've been asked on several occasions when **we are going to be cart path only. The official date for CPO is 12th of December** after the Cole Pangburn Eskimo tournament. **We will remain on paths until March 12th** giving us 3 months of no cart traffic on the turf during the cold and wet winter months. This process, in my experience, has and will help the green up process in the Spring leading into 4ball.

I'd like to take this time to **thank the members who donated for the grass carp** we put over 120 in the lakes to help combat the grass weeds. This will not be an overnight fix but will help reduce the weeds over time. Also, we had enough money raised that we bought new rake heads for the back nine bunkers along with a few red hazard stakes.

Wood burning season is here as well we have a good supply of firewood on the back nine that has been available to membership in the past some members use it more than others. All I ask is that you check with me and make a contribution, for each load you get, this money will be directly invested in our employees. This year we plan on getting winter clothes, Carhart jackets and bibs.

Thank You ,
Golf Course Superintendent

SEASONS GREETINGS

EMPLOYEE HOLIDAY BONUS

Once a year the members have an opportunity to show their appreciation to the employees' by contributing to the employees' Christmas bonus fund. This has been a tradition at MCC for over 30 years through the generosity of the members.

The contribution is \$30. Out of the amount received, all Club employees will receive an annual bounus based on length and quality of employment to Maumelle Country Club. All members will be billed on their November 30th, 2023 statement for this bonus.

If you do not wish to contribute, please call the club office and we will deduct this charge from your account.

EMPLOYEES APPRECIATE THE MEMBER'S CONTRIBUTIONS TO THE EMPLOYEE CHRISTMAS BONUS AND LOOK FORWARD TO SERVING THE MEMBERS' AGAIN IN 2024
